

CONWAY HYDRAULIC INDENT TOOL

TCCH-240

Deep indent volume-control dies for Aluminium Ferrules, Bi-metal Lugs and Rounding Dies.
Compliant to TNB Specification.

Crimping Type : Deep Indent (Controlled Volume)
Crimping Range : 25mm² to 240mm² (Aluminium Conductor)
Crimping Force : 120kN
Weight : 4.3kg (Without the dies)
Rated Operating Pressure : 700kg/cm³ (10,000 P.S.I)

Components :

TCCH-630

Deep indent volume-control dies for Aluminium Ferrules, Bi-metal Lugs and Rounding Dies.
Compliant to TNB Specification.

Crimping Type : Deep Indent (Controlled Volume)
Crimping Range : 300mm² to 630mm² (Aluminium Conductor)
Crimping Force : 200kN
Weight : 6.0kg (Without the dies)
Rated Operating Pressure : 700kg/cm³ (10,000 P.S.I)

Components :
